

The Athletes Guide to State Championships & National Championships

Where Olympic Journeys Begin™

How do I qualify?

1. An athlete must first register or renew their USAT membership.
2. Once a member, an athlete must register and compete at a State Championship.
3. State Championships are held across the nation, January through the first weekend in May. For a detailed list of State Championships, please refer to our website at: <http://www.teamusa.org/USA-Taekwondo/Event-Calendar>.
 - a. If a state does not host a State Championship, all athletes will have to travel to another state to attend a State Championship in order to qualify for the 2015 National Championships.
 - b. An athlete **MAY NOT QUALIFY** in the same **WORLD CLASS** weight (sparring) and/or age category (poomsae) in **MULTIPLE STATE CHAMPIONSHIPS**. Athletes found doing so may jeopardize their qualification for the USAT National Championships. Athletes **MAY** compete in multiple state championships if they compete in a **DIFFERENT** weight category.
4. Once an athlete has participated at a State Championship, they are automatically qualified to compete at the National Championships. For a complete list of Athlete Qualifications and Divisions, please refer to page 5.
5. The 2015 National Championships will be held in Austin, Texas at the Austin Convention Center on July 4-11, 2015. For more details about Nationals, please visit our website www.usa-taekwondo.us.
6. For detailed selection procedures on how your athlete can make a National Team, please follow this link: <http://www.teamusa.org/USA-Taekwondo/HP/Athlete-Team-Selection-Procedures>

USAT Membership

In order to participate at a State Championship, the participant must first register as an athlete for \$35.00. When registering, choose the option "USA Athlete, Coach, Instructor and/or Club Owner, Referee.."

If a Support membership is chosen, these members are not eligible for competition

The easiest and fastest way to register, is to visit our website, www.usat.hangastar.com, and click "Sign Up".

Do I Need a WTF Global License (GAL) to compete?

Athletes are not required to obtain a World Taekwondo Federation (WTF) Global License if they ONLY plan to compete at a USAT sanctioned event (i.e. State or National Championships). Global Licenses are only required for WTF sanctioned events such as the U.S. Open.

Do I Need to take a Background Check?

USA Taekwondo has implemented Safe Sport and it is now a requirement for members in a supervisory position with our Taekwondo athletes to undergo and successfully complete a background check.

A member whose sole membership category is 'athlete' does not need to take a background check.

If you indicate more than one membership category in your registration (i.e. athlete, coach, referee, instructor and/or club owner) and are over the age of 18, you **MUST** complete a background check before you will be allowed to attend any USAT sanctioned event. The background check is required even if you are registering as just an athlete for an event. For example, a member is registered as both an athlete and coach but only wants to attend an event as an athlete. The member is still required to complete a background check since they have an active coach membership.

If you need to complete a Background check, please follow the instructions listed here: <http://www.teamusa.org/USA-Taekwondo/Features/2014/April/03/Required-background-check-reminder>

Athlete Qualifications

Black Belt Athletes 12 and older competing in sparring or poomsae must be a U.S. Citizen. Athletes 12 and younger must only provide proof of residency.

Since USAT State Championships are direct qualifiers for the USAT National Championships and the National Championship are a direct qualifier for Team Trials (for cadet, junior and senior black belt divisions), there are certain divisions an athlete must be a U.S. Citizen in order to compete in. Please refer to the list below to see what documents fulfill the requirement:

Proof of Citizenship	Proof of Residency
Passport	Passport
Birth Certificate	Birth Certificate
	Social Security Card
	Green Card
	School Report Card/Transcript
	Valid U.S. Driver's license

If an individual is not a valid U.S. resident or U.S. citizen he/she will not be allowed to compete at the USAT National Championships or State Championships.

*Please send documentation to events@usa-taekwondo.us

Divisions

All athletes **participating in the following divisions at a sanctioned USAT State Championship will automatically qualify to compete at the USAT National Championships. An athlete must compete in the SAME divisions he/she wishes to compete in at the USAT National Championships.

SPARRING: All Belts – Dragon(6-7), Tiger(8-9), Youth(10-11), Junior(15-17), Senior(17-32)& Ultra(33+) & Yellow, Green, Blue & Red belts for Cadet(12-14)

POOMSAE: All Belts – Dragon(6-7), Tiger(8-9), Youth(10-11), Cadet(12-14), Junior (15-17), Under 30 (18-30), Under 40 (31-40), Under 50 (41-50), Under 60 (51-60), Under 65 (61-65), Over 65 (66+) (Pairs, Teams and Freestyle)

****An athlete MAY NOT QUALIFY in the same WORLD CLASS weight (sparring) and/or age category (poomsae) in MULTIPLE STATE CHAMPIONSHIPS. Athletes found doing so may jeopardize their qualification for the USAT National Championships. Athletes MAY compete in multiple state championships if they compete in a DIFFERENT weight category.****

Athletes must compete in the age category according to the age he/she will be as of December 31, 2015.

Misc. Information

- If an athlete wants to compete in both Junior and senior divisions, they must compete and qualify for both divisions.
- Winner of the Cadet Grassroots divisions will no longer qualify for the World Class division because Grassroots division will use Junior Safety Rules and World Class divisions will use full head contact rules (see competition rules for full explanation of rules). Once qualified for World Class, an athlete is not eligible for Grass Roots divisions.
 - Exception – A coach/parent must provide the USAT Director of Events a legitimate reason why an athlete should not compete in the World Class division. If approved, the athlete will be placed in appropriate Grass Root division.
- ALL athletes **MUST** participate in a State Championship to compete at a The USA Taekwondo National Championship. If an athlete is in a state that does not host a State Championship, then will need to participate in another State's championship.

*****The word participating means athletes must have officially weighed-in at the event scales and/or participated on the competition mats in front of the event referees and received a place within the division.*****

2015 Major Changes

SPARRING

- Starting in 2015, the only divisions that will have a World Class and Grassroots divisions will be CADET SPARRING black belts. For these black belt divisions all athletes placing in the top 4 (top 8 for those state with “larger” state championships; example California and Texas) per weight category at a sanctioned USAT State Championship will automatically qualify to compete in the World Class Divisions at the USAT National Championships. Those athletes placing outside the top 4 will qualify for the Grass Roots divisions at the USAT National Championships.
- Winner of the Cadet Grassroots divisions will no longer qualify for the World Class division because Grassroots division will use Junior Safety Rules and World Class divisions will use full head contact rules (see competition rules for full explanation of rules). Once qualified for World Class, an athlete is not eligible for Grass Roots divisions.
 - Exception – A coach/parent must provide the USAT Director of Events a legitimate reason why an athlete should not compete in the World Class division. If approved, the athlete will be placed in appropriate Grass Root divisions.
- ***Cadet Poomsae; Junior Poomsae and Sparring; Senior Sparring and Poomsae black belts will have World Class Divisions ONLY (no Grassroots divisions).*** Those athletes that “participate” at a USA Taekwondo State Championships in the these black belt divisions will qualify for the World Class Divisions.

COLOR BELTS

- All color belt athletes will be able to compete in a State Championship and National Championships at the current belt in which they hold. For example, an athlete competed at a State Championship as a green belt but has since tested and received their blue belt. This athlete may now compete at the USAT National Championships as a blue belt. EXCEPTION: If an athlete competed at a State Championship as a red belt and has since been promoted to black belt, the athlete MAY NOT compete in any black belt divisions.

PROOF OF BLACK BELT REQUIREMENT

- Starting in 2015 the black belt proof requirement will change. State Association will still be able to utilize the black belt verification form (see attachment C) if an athlete does not have certification uploaded to their profile or provide a copy of certification at the time of registration. Starting in 2015 the form will include contact information so that USAT can track that each person provides a copy of their black belt certification by the National Championships. If a copy is not provided at the National Championships then the athletes coach and/or instructor will be required to apply for USA Taekwondo Dan black belt certificate at the time of registration. For more information on the USAT Dan certification program follow this link:
<http://www.teamusa.org/USA-Taekwondo/Resources/Dan-Certification-Program>

Explanation of Statuses

PENDING:

The USA Taekwondo office is awaiting the missing documents and/or payment necessary to complete your registration.

These are the documents needed by USAT to complete your registration. Once USAT has received your document(s), the items in the “required documents checklist” will appear checked.

Missing documentation **does not** exclude participation at an event. If the documentation is not provided by the registration deadline, all documentation **MUST** be brought to registration at the tournament.

CONFIRMED:

Once you have paid for the event and all items in the “Required Documents Checklist” have been received by USAT, your status will be set to confirmed.

Once confirmed, competitors are officially authorized to participate in the event.

DECLINED:

USA Taekwondo has declined your application for this event either by participant wishes or for extenuating circumstances.
